## Your Special Day . . .

The ambience and atmosphere of Scotland's Oldest Inn makes it a very special place for your very special day.

Our Taymouth Restaurant, with its stunning views over the Tay, offers a truly magical location for your weddings. Following a recent refurbishment, it is a fantastic venue offering elegant surroundings, modern facilities, a dance floor and bar. The space can accommodate up to 100 guests seated and 120 guests for an evening reception.

The local church is only a stone's throw away from the hotel and is a stunning and memorable venue for your wedding ceremony. Why not add to the occasion and have a piper lead the wedding party from the church to our hotel – a great way to herald the start of your celebrations at Kenmore.

You and your guests will enjoy exquisite dining, with our chefs using locally sourced produce to create delicious menus, combined with outstanding service – perfect for your special day.

Your own personal wedding executive will be by your side to provide invaluable advice and take you step by step through the planning of your day. At the Kenmore Hotel expect nothing other than outstanding excellence from a team of professionals passionate to make your wedding unique and just that little bit extra special.
